

ImmunoBurst™

**NEW
PRODUCT**

Stimulate your immune system.* Eating well, exercising, and practicing common-sense hygiene habits helps keep your immune system strong. Yet sometimes, (often when we are under stress) toxins in the environment can weaken our immune system. This refreshing chew is the perfect reinforcement. And best of all, it tastes great!

ImmunoBurst combines documented immune-boosting nutrients including Zinc, Selenium, Elderberry, Colostrum, Lactoferrin and a patented natural compound known as Wellmune WGP® providing powerful Beta Glucans for optimal immune function.*

These ingredients effectively supplement your body's own defenses in a delicious berry-flavored chew that stimulates immunity and protects cells from damage.*

- ▶ Helps maintain peak immunity when traveling or under stress *
- ▶ Protects against free radicals that attack healthy cells*
- ▶ Safe and effective immune support for ages 5 and up*

STEPHEN'S TIP

When it comes to immune support, I want you to think of a symphony, not a single note played over and over. ImmunoBurst is a synergistic blend of EIGHT research-proven, all-natural ingredients providing comprehensive immune support. With thousands of studies published on these ingredients in the biomedical literature, ImmunoBurst truly is the very best of science naturally.
