

S-4 Sleep Enabler™

Awake refreshed. Since most cell building and repair functions occur during deep sleep, poor sleep can severely interfere with overall health and performance. S-4 Sleep Enabler™ is an all-natural, non-addictive combination of herbs and nutrients to help you enjoy the deep sleep you need to feel rested and ready to meet your daily challenges.*

S-4 Sleep Enabler includes a proprietary blend of five active compounds - Melatonin, Chamomile, Kava kava, Valerian, and Jujube - that have been shown to promote relaxation and a restful sleep.*

- ▶ Promotes a deep sleep*
- ▶ Allows your body to rest and restore itself*
