

Solanyx™

**NEW
PRODUCT**

7 Day Timed-Release Immune Booster*

Stimulate immunity. Immune support is important throughout the year, but particularly during times of seasonal change. Solanyx gives you immune support when your body needs it most. This 7-day boost can be taken at the first sign of discomfort or when entering an environment that may compromise your immune function.

Solanyx Day provides free radical fighting antioxidants and Vitamin C along with the powerful immune-stimulating herbs Echinacea, Elderberry and Olive Leaf Extracts plus a unique mushroom blend and N-Acetyl Cysteine, both shown to boost immune strength and support the body's detoxification mechanisms.*

Solanyx Night provides established and cutting edge calmative nutrients to help you get the restful and restoring sleep you need. In addition, the formula includes Zinc, Selenium, Blueberry extract and Vitamin C for immune support and free radical protection, plus a patented compound known as Immuno-10®*

Solanyx comes in a convenient 2 caplet per dose formulation to be used for 7 days. The timed-release delivery form means optimum absorption and continual release of these immune stimulating nutrients throughout your body, day and night.

Solanyx Day

- ▶ Timed-release powerful immune strengthening complex*
- ▶ Promotes robust immune health*
